DIRECTOR FOREWORD

Thank you for your interest in our recruitment services from Sky Employment. We are an One-Stop Human Capital Solution Provider specializing in a comprehensive range of recruitment services across different industries in Singapore. From foreign worker recruitment to permanent / contract placement, we are well equipped to fulfill your manpower needs.

Today, we have grown from a team of six to a current team of forty professionalism and still expanding. Our office hax expanded from a humble office unit to a three level building located at the Eastern part of Singapore. All these are made possible through the support of our clients who trusted and believed in our services. To date, we have built a huge portfolio of clients and successfully completed thousands of placements. We strive to outperform ourselves to grow these figures.

Sky Employment is advancing progressively to be the leading manpower solutions provider in Singapore. We build our business philosophy on "Integrity, Passion and Professionalism". Ensuring customer satisfaction is our main objective through understanding and fulfilling our clients' needs. In order to deliver high standard of services, we are constantly making improvement and benchmarking ourselves to the best in the region.

We value our staff just like we value our clients. Our workforce is the cornerstone of the success of Sky Employment. We have a dedicated workforce comprising professionals with years of experience and in-depth knowledge of different industries. We are constantly updating ourselves on the latest employment trends and enhancing our knowledge in order for us to serve our clients.

In all, Sky Employment aim to provide our clients with hassle-free, efficient and effective recruitment services. The success in fulfilling your manpower needs is our success. Let us partner together to strive for success - "The Sky is the limit, The Sky is our Destination"

Steven Ng
Director
Sky Employment Pte Ltd
